

Become an Artisan

Thank you for your interest in becoming an artisan with the Woman's Exchange of St. Augustine Historic Peña-Peck House Gift Shop!

How We Select New Artisans

Our Shop Committee of 16 members reviews new artisan submissions at monthly meetings, held on the second Tuesday of each month. The Shop Committee evaluates each submission based on the item type, size, retail price, and whether similar items are already represented in the shop.

How to Submit Your Work

To get started, email 1–4 photos of your items to Shop Chair Dawn DuBose at dawndubose@aol.com. You're also welcome to share a link to your website or social media if you sell online. Please include the retail price for each item, factoring in the 30% commission. (To calculate your retail price, divide your desired earnings by 0.70 — for example, if you want to net \$30, your retail price should be \$43.)

Once we review your submission, we will either show the pictures to the Shop Committee — or request a meeting with you beforehand so that we can display your items to the Committee.

Our 30% Commission Explained

We operate on a 70/30% split with a \$10 annual fee. The 30% commission supports our scholarship fund for women over 25 returning to college, helps maintain our historic museum, and cares for our gardens — a beautiful venue for weddings, luncheons, and special events. Upon approval, we'll send you our artisan agreement to review.
